

On behalf of XM Satellite Radio, thank you for contacting the FCC and letting them know you oppose the National Association of Broadcasters' (NAB) attempt to limit the programming that XM provides to you. If you have not already done so, please make sure that you contact your representatives to have them oppose NAB's bill, HR 4026, which also tries to limit your program options on XM. Meanwhile, make sure all of your friends and fellow XM subscribers join in this important effort.
